WORK EXPERIENCE

- | | |
|---|----------------------------|
| Graduate Tutor, NUS
Led module syllabus revision and instructional material development in collaboration with faculty, delivered tutorials and academic consultations for undergraduate cohorts, designed and implemented outreach programmes to enhance student engagement, invigilated assessments in compliance with university protocols, tracked and analyzed student performance data, and coordinated with academic staff to optimize curriculum delivery and learning outcomes. | Jan 2025 - Present |
| Advisory, Programme & Project Management Consultant, Arup | Sep 2023 – Jan 2025 |
- Roles & Projects:**
- Assistant Project Manager, Tetra Pak (Jun 2024 to Jan 2025)**
 - As Assistant Project Manager for Tetra Pak's expansion projects in Rayong, Thailand, coordinated various aspects of the project, including the design and construction of a 2000m2 GFA New Product Development Center (PDC). I ensured compliance with local codes and regulations while managing the overall project schedule and budget. I worked closely with the lead consultant and sub-consultants to deliver the project successfully.
 - Assistant Project Manager, Air Trunk JHB1 (Nov 2024 to Jan 2025)**
 - As Assistant Project Manager for Airtrunk's diagnostic review of JHB1, I applied a program and project management lens to the review, focusing on identifying areas for improvement in project execution and delivery. My responsibilities included coordinating review activities, analyzing project documentation, and providing recommendations to optimize future projects.
 - Programme Management Support - Advisory Services, Asian Development Bank (ADB) (Jun 2024 to Jan 2025)**
 - As a project support for the Asian Development Bank's Climate Change Action Plan 2023-2030, I contributed to program management and resource allocation. I collaborated with the project team to ensure efficient resource utilization and effective project execution.
 - Logistics & Operations Consultant - STB Integrated Cruise & Ferry Terminal (Sep 2023 to Jan 2025)**
 - As part of the team designing an integrated cruise ferry terminal, I contributed to the development of logistics and operations. This included designing baggage handling systems, creating an operational demand model, planning provisioning strategies, and analyzing the optimal terminal layout to accommodate three large cruise ships and up to ten regional ferry vessels simultaneously.
 - Project Management Support - AWS, Data Centres, KUL070 071 072 (Nov 2023 to Mar 2024)**
 - As part of the project team, I contributed to the development of a project management resource monitoring dashboard. Additionally, I assisted in preparing bids for three new data centers in Bukit Jalil, Cyberview, and Bandar Nilai Utama.

Operations Consultant

- Total Energies, Energy market Authority (Sep 2023 to Feb 2024)

- Bintan Green Energy, Energy market Authority (Oct 2024 to Jan 2025)

- As an Operations Consultant, I conducted a feasibility study for the supply of external electrical power to a solar generation site in Riau, Indonesia. My role involved providing expert advice on the delivery model, leveraging lessons from past projects, optimizing procurement strategies, navigating the project life cycle, and ensuring adherence to SHEQ standards.

Assistant Support Project Manager, Singapore American School

Jun 2023 - Aug 2023

- Led two campus upgrade projects in the Highschool Block, ensuring completion on schedule and within budget.
- Managed a team of contractors and vendors, resolving issues and ensuring quality standards were met.
- Developed and implemented project plans and tracked progress using project management software.

Extra-Curricular

REACH Youth Panelist, Ministry of Communications & Information

Oct 2022 – Oct 2024

- Student Representative from NUS,
- Offer insights and perspectives on national issues and partner REACH to co-design and execute youth-focused initiatives as a panelist.

Academic Cohort, Student Representative

Aug 2020 – Present

- Represent student cohort, class of 2020 at academic meetings with faculty, Department of the Built Environment (DBE) NUS, and now as an Alumni network representative as well.

NUS Student's Design and Environment (DE) Club, President

Aug 2021 - Aug 2022

- Liaised with respective department offices and Dean's Office about matters pertaining to the School of Design and Environment (SDE) student population's physical, mental, and academic well-being.
- Liaise with external societies and organizations on discussions and collaboration opportunities to benefit the SDE student population.
- Supervise the Club in any matters pertaining to the SDE student population.

NUS Student's Union (NUSSU), Council Member

Aug 2021 - Aug 2022

- Represent the SDE student population in the National University of Singapore Students' Union (NUSSU) Council.

College of Design & Engineering, Student Ambassador

Jan 2022 - May 2022

- Represent college for external facing events and outreach programs.

AWARDS AND PRIZES

- Outstanding Tutor Award, Mendaki in 2023, 2025
- NUS College of Design & Engineering Star Awards, Leadership in 2022
- Police Coast Guards, Commander's Award in 2019
- Ministry of Education, (MLEP) Scholarship in 2016 & 2017
- Valedictorian, Pioneer Junior College (MLEP) in 2017

LICENSES & CERTIFICATIONS

- Microsoft Projects Essential Training – Project Management Institute
- Project Management Specialization Certification – University of Colorado Boulder, Credential ID: PDW2MZSJ9RFS
